### Special Events, Theme Parties or Destination Weddings

Down East Destination special events are specialized to our client's wishes and can vary in size, location and theme. They can range from an elegant dinner party for four prepared in a private location by a famous chef or an elaborate corporate team building or incentive program to an extravagant holiday gathering for hundreds. From corporate & incentive functions, family and social events to award banquets and fund raising, Downeast Destinations can do everything you need to provide an experience of a lifetime.

Downeast Destinations provides a host of gatherings such as theme events, the launch of new businesses or grand openings. We provide you with unique venues, local outings, sailing regattas, private celebrations, fund raising and meet & greet events and even specialty group travel.

Our events, which range in size from 75 people to 10,000 people, connect our community and showcase the best our citizens and Pamlico County has to offer. Our events staff looks forward to assisting you with your special event — from parades to foot races, dragon runs, the Croaker Festival, sailing regattas, city wide yard sales, kayak and bike tours, horse shows, art shows, private parties, destination weddings, fundraisers, galas, social events.
