

# Destination Management

## Destination Management

Whether you are planning an intimate personal trip, like a honeymoon, or planning a corporate meeting, we can take care of all the details. We have 25 years of event planning experience, a thorough knowledge of the area, and the necessary industry connections to make your trip a success. We can handle branding your event and designing all elements of it. We can scout out the perfect location. Whether it is a milestone celebration, a team building project, a reward program, a product launch or simply a trip for two, we will handle all the details and free you to make the most of your trip.

Our Destination Management Services also include making sure you and your guest are treated like royalty with the utmost attention to safety no matter what the event. Some of the types of destination management we provide services for are:

- Airport Meet and Greet
  
- Prearranged Ground Transportation
  
- Boat Rental for day and week long excursions
- Companion/Spouse Programs
  
- Tours/Excursions
  
- On and Off Property Special Events
  
- Themed Event Décor
- Entertainment
  
- Golf Outings/Tournaments
  
- Team Building
- Recreation
  
- On-Site Meeting Management
  
- Registration and Hospitality Staffing
- VIP and Speaker Support
- Media Relations
- Consulting
  
- VIP Logistics and Security Transport

- Organization of National and International Transport for International Attendees

You can depend on us to be your transportation leaders.
